CODE RAZE

Competitive Programming • Data Structures & Algorithms

DATE	TIME	DURATION	TEAM SIZE
5 November	9:00 AM – 11:00 AM	2 hours	Individual

EVENT OVERVIEW

Code Raze is a 2-hour competitive programming event focused on Data Structures and Algorithms (DSA). Participants will be provided with a set of DSA-based programming problems and are required to solve as many problems as possible within the allotted time. The participant who successfully solves the required problems in the shortest time will be considered for the winning position, subject to the event's evaluation criteria.

RULES & PARTICIPATION GUIDELINES

1. The use of Artificial Intelligence (AI), AI agents, or any AI-based tool in any form is strictly prohibited.

2. Any participant found using AI or an AI-based tool will be immediately disqualified.

3. Participants may use official programming documentation and reference materials for checking syntax, functions, and language-specific information.

4. All solutions must be completed and submitted within the allotted 2-hour duration.

5. The time taken to successfully solve the problems will be considered as a factor in determining the results.

6. Participants cannot leave the designated venue during the event.

7. No additional time will be provided beyond the officially allotted duration.

8. The decision of the organizers/judging panel regarding evaluation and final results shall be considered final.

IMPORTANT: AI and AI-based tools are strictly prohibited. Any violation may result in immediate disqualification.

CODE RAZE — PRIZE POOL

Prize details are shown separately for this event.
