# Stock Race – Rules & Regulations

Organized by: E-Cell, NIT Nagaland

## *Event Overview*

Stock Race is a stock market simulation where participants trade virtual portfolios over the course of the event.

Each participant receives a fixed virtual amount to trade with, and competes to grow it into the highest portfolio value by the end of the event.

## *Participation & Virtual Amount*

Each participant gets a fixed virtual amount to begin trading with.

All trades are conducted using this virtual amount only — no real money is involved.

## *Company List*

The list of companies/stocks available for trading will be shared in the event WhatsApp group.

Participants should only trade in the companies announced on the shared list.

## *Trading Hours*

Trading time is from 9:00 AM to 4:00 PM daily.

Participants can buy or sell stocks at any time within these trading hours.

## *Winning Criteria*

The winner is the participant with the highest portfolio value at the end of the event.

## *Fair Play*

No fake trades or manipulation of any kind is allowed.

Any participant found manipulating trades or data will be disqualified.

Judges' and organizers' decisions are final and binding.
