HACKATHON

Team-Based Development • Build, Present, Demonstrate

DATE	TIME	DURATION	TEAM SIZE
6 November	11:00 AM – 6:00 PM	8 hours (as stated in the event details)	3 to 5 members

EVENT OVERVIEW

The Hackathon is an 8-hour team-based development competition. Participants will be provided with a problem statement/challenge and are required to develop a functional solution within the allotted time. In addition to developing the project, each team must prepare a six-slide presentation (PPT) during the hackathon itself. Upon completion of the development period, teams will present their projects and explain their approach, implementation, and solution to the judging panel.

RULES & PARTICIPATION GUIDELINES

1. The use of Artificial Intelligence (AI), AI agents, or any AI-based tool in any form is strictly prohibited throughout the event.

2. Any participant or team found using AI or an AI-based tool will be immediately disqualified from the competition.

3. Participants may use official documentation and reference materials to understand syntax, functions, libraries, and implementation-related information.

4. Participants must develop the project and prepare the required six-slide PPT within the competition period.

5. There will be no designated lunch or refreshment break. Participants may take short breaks for meals, refreshments, or washroom purposes during competition time without extending the allotted duration.

6. Participants are required to remain within the designated event area throughout the competition.

> **IMPORTANT:** AI and AI-based tools are strictly prohibited. Any violation may result in immediate disqualification.
