QUANT CHALLENGE 2026

Official Event Rules and Regulstions | Organised by Quants Club

---

> **Target Audience:** Undergraduate Students (All Departments) |
> **Total Duration:** ~3 Hours

1. Event Overview & Structure

The **Quant Challenge** is designed to test numerical agility, statistical thinking, logical deduction, and financial problem-solving. It consists of 4 progressive elimination rounds:

Round 1: Speed Math & Aptitude (Elimination)

- **Focus:** Percentages, Ratios, Averages, Profit & Loss, Number Systems, Time & Work, Speed-Distance-Time.
- **Format:** 25 MCQs | 20 Minutes | OMR.
- **Scoring:** +4 for correct, -1 for incorrect.

Round 2: Probability & Stats Sprint (Elimination)

- **Focus:** Basic & Conditional Probability, Expected Value, Mean/Median/Variance, Data Interpretation.
- **Format:** 15 Numerical Questions | 25 Minutes.
- **Scoring:** +4 for correct, 0 for other case(No negative marking).

Round 3: Logical & Quantitative Reasoning

- **Focus:** Analytical Puzzles, Number Patterns, Sequences, Logical Deductions, Basic Optimization.
- **Format:** 5 Critical problem | 30 Minutes.
- **Scoring:** 10 marks for correct and partial for correct approach(No negative marking)

Round 4: The Real-World Quant Case (Finals)

- **Focus:** Practical Portfolio Optimization / Strategic Resource Allocation.
- **Format:** 1 Comprehensive Case Study | 40 Minutes Preparation + 5 Minutes Pitch/Explanation.
- **Task: Example: A company has ₹10 lakh to invest in three projects. Each project has different expected returns and risks. Decide how to distribute the money to maximize expected return while staying within the risk limit.**

- **Scoring:** Judged on mathematical correctness, risk modeling, and clarity of presentation (50 Marks).

2. Official Rules & Regulations

Eligibility & Participation

- **Team Size:** Individual or Teams of up to 2 members.
- **Registration:** Mandatory prior registration via the official club portal/form. Spot registrations are subject to seat availability.

Conduct & Fair Play

- **Tool Usage:** Scientific calculators (non-programmable) are permitted starting **only from Round 2**. Laptops/software will be allowed **only in Round 4**.
- **Zero Tolerance Policy:** Any team found using unauthorized material, communicating across teams, or using mobile devices during Rounds 1–3 will face immediate disqualification.

Evaluation & Tie-Breaker Rules

- **Tie-Breaker Protocol:**
    - **Primary:** Team with fewer total incorrect responses across earlier rounds advances.
    - **Secondary:** If still tied, a 5-minute, single high-difficult problem will be given. First to submit the exact correct answer wins.
- **Judge's Decision:** In Round 4, the decision of the evaluation panel (faculty advisor / invited judges) is final and binding.

3. Operations & Resource Checklist

To ensure smooth execution on event day, the following resources must be arranged prior to the event:

Resource / Requirement	Details	Responsible Person
Venue	Computer Lab or Seminar VCH	QUANTS TEAM
Tech Setup	Suitable wifi, omr and google forms	Tech Team
Question Papers	Printed sheets for Round 3 & Case Study sheets for Round 4	Core members
Stationery	Rough paper pads, pens	Invigilators

4. Prize pool and certificates

** Certificates: Merit Certificates for Top 2 teams .*

** Prize Money / Trophies: Cash prizes for Winner (₹6,000) and Runner-up (₹4,000), alongside official Quants Club trophies.*
