HACKATHON

Team-Based Development • Build, Present, Demonstrate

START	END	TOTAL EVENT WINDOW	TEAM SIZE
5 November 2026 **10:00 AM**	**6 November 2026** **4:00 PM**	**30 Hours** Including final presentations	**3 to 5 members**

EVENT OVERVIEW

The Hackathon is a team-based development competition with a total event window of **30 hours**, from 10:00 AM on 5 November 2026 to 4:00 PM on 6 November 2026. Teams may develop their projects remotely from any location during the development period. The final 2–3 hours of the event will be reserved for on-site project presentations and demonstrations. Every team must be physically present at the designated venue for its presentation and must demonstrate a working prototype or functional solution to the judging panel.

PROBLEM STATEMENTS & WHATSAPP COMMUNICATION

1. The official problem statements will be shared through the event's official WhatsApp channel.
2. After a team's registration is reviewed and approved, the team will be added to the official WhatsApp group for participant coordination and important updates.
3. Participants must enter a correct, active WhatsApp mobile number while registering. The number must be reachable so that the organizers can share updates and add approved participants to the group.

RULES & PARTICIPATION GUIDELINES

1. Participants may develop their projects from anywhere; they are not required to remain at the event venue during the development period.
2. All team members must be present at the designated venue during their team's final presentation.
3. Each team must bring and demonstrate a working prototype or functional version of its proposed solution.
4. Each team must prepare a six-slide presentation (PPT) explaining the problem, proposed solution, approach, implementation, and prototype/demo.
5. The total event window is 30 hours. The final 2–3 hours will be used for presentations and demonstrations; the organizers will communicate the presentation schedule.
6. The use of Artificial Intelligence (AI), AI agents, or any AI-based tool in any form is strictly prohibited throughout the event.
7. Any participant or team found using AI or an AI-based tool will be immediately disqualified.
8. Participants may use official documentation and reference materials to understand syntax, functions, libraries, and implementation-related information.
9. Teams must submit/present their work within the announced deadlines. Late submissions may not be considered.

IMPORTANT: AI and AI-based tools are strictly prohibited. Any violation may result in immediate disqualification.
